CPD45/50F8

4500 - 5000 kg Heavy duty 80 V Li-Ion battery forklift truck

LI-ION TECHNOLOGY

Let's grow together

- Indoor and outdoor use thanks to the rain proof components
- Lower seat height (h7) of the category for an easy operator access
- Great ergonomic design with spacious legroom, adjustable steering wheel and comfortable bucket seat
- 80V Li-Ion battery offering grant efficiency, long autonomy and occasional charge
- Multi battery chargers fulfilling different needs

CE

Manufacturer			EP	EP

FEATURE

All rounder heavy duty truck

Big solid rubber tyres, rainproof components, compact dimensions and reduced turning radius make it the ideal machine for indoor and outdoor usage and meet all kind of applications.

Easy access and exit

The comfortable bucket seat height (h7) is just 1208mm from the ground the lower position of the category, granting an easy access and exit for the operator.

Easy maintenance

Main electronic and hydraulic components are positioned on protected and accessible area making the maintenance fast and easy.

Lithium technology to replace internal combustion engine

The lithium technology has proven itself as an emission-free and maintenance-free alternative to diesel. The CPD45 50F8(W) handles loads with consistently high performance due to opportunity charging even for the most demanding applications.
